In the Classroom:

We will be doing a theme based around Spring this coming week. We will be learning about spring weather along with activities that are associated with Spring.

Reminders: Please keep your child at home if he/she isn't feeling well. Your child should be fever free for at least 24 hours without medicine before sending them to school. This will help cut down on the number of sickness that is being passed around.

Check out our school website to see some pictures of St. Patrick's Day.
